

# “Big Numbers” Contest

The goal of this contest is to think of the biggest number you can, and write it in this box :

Write your number here

Name : \_\_\_\_\_

Grade : \_\_\_\_\_ Age : \_\_\_\_\_

## Rules for the “Big Numbers” contest

- You may write **anything at all** in the box on the entry form labeled “Write your number here”. I will try to interpret what you write as a number.
  - If I cannot interpret what you write as a **real, finite** number, your entry will be disqualified (in particular, you can't write 'infinity')
  - The winner will be the student whose number is bigger than those of all others in the contest
  - Your number should fit entirely inside the box, which is 4 inches wide and 2 inches high.
